## UNDERGRADUATE STUDENT MANUAL

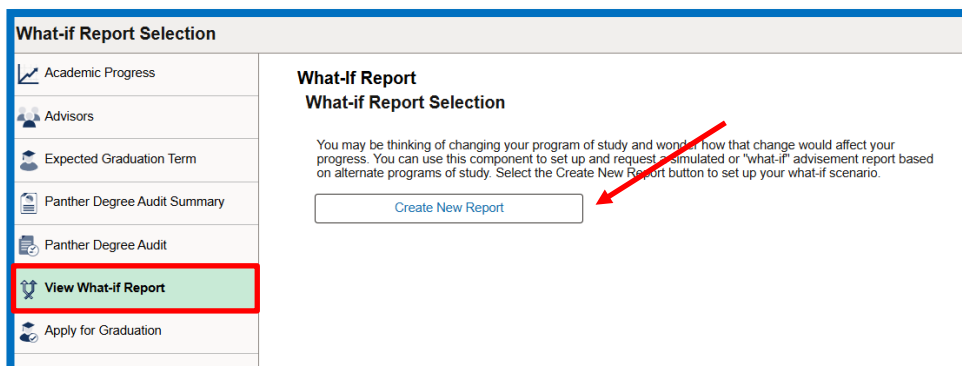

## **HOW TO CREATE A WHAT-IF REPORT IN PANTHER DEGREE AUDIT (PDA)**

You may be thinking of changing your program of study and wonder how that change would affect your progress. You can use this component to set up and request a simulated or "what-if" advisement report based on alternate programs of study. Click the Create New Report button to set up your what-if scenario.

1. Click on “Academic Advising,” then click “Degree Audit.”

2. Click “View What-If Report” and then click on “Create New Report” button.

3. “Create What-if Scenario” appears. The information that appears on the page by default is your current academic information.

4. Select a career for which you want the change to take place. You can use the fields below to set up a what-if scenario based on one or more programs of study. You can define up to three scenarios.

You may also select a different Catalog Year to view the different requirements based on year.
